

CAMPERSHIP WORKSHEET INSTRUCTIONS

To improve accuracy and efficiency when distributing campership awards, the Campership Application is moving to an online form that is directly linked to the Summer Camp and Day Camp registrations. By taking this step, we can ensure that camperships are awarded in a timely manner and with accuracy to the recipient.

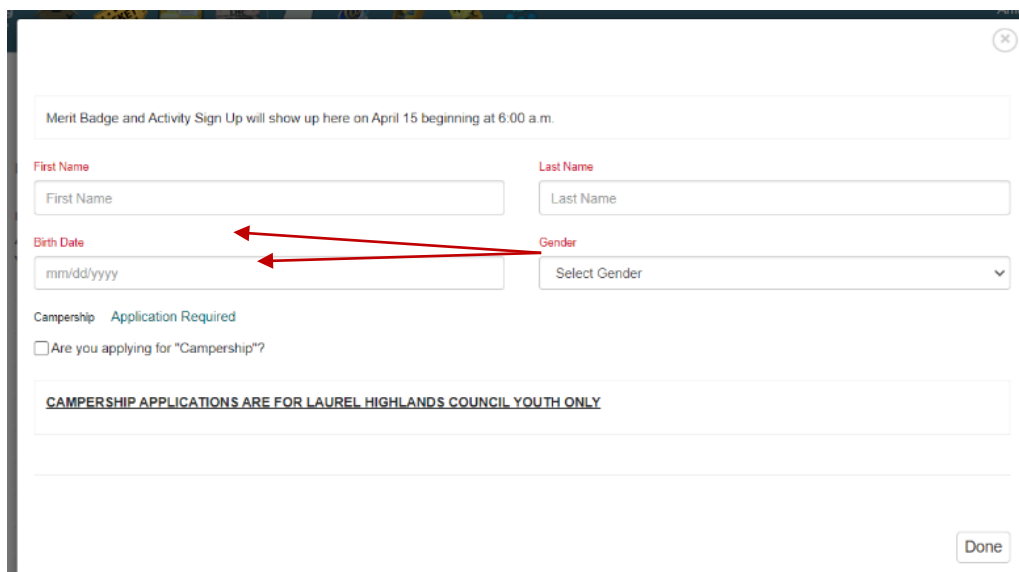

Follow these simple steps to fill out the 2021 Campership Application:

For Parents/Guardians:

1. Use the below worksheet to gather information needed to fill out the application.
2. Once all the information has been gathered, give the completed worksheet to your camping coordinator or unit leader for them to input into the online form. If you choose to put the application in on your own, you **MUST** notify your camping coordinator so that the corresponding registration can be made with their name.
3. If you have multiple children, you must fill out one application per Scout.

For Unit Leaders/Camping Coordinators:

1. Using the following link, fill in the fields in the online application from the worksheet. You **MUST** retain the application so that the name of the Scouts can be put into your camp registration exactly as they were entered in the Campership Application.
 - a. <https://247scouting.com/forms/527-2021LHCCampership>
2. Registration for Summer Camp will open to enter names on February 15th. Between February 15th and March 1st you must confirm your summer camp registration and add names for Scouts applying for Camperships. Spelling of names must match the Campership Application exactly.
 - a. Day Camp registration – There is no need to wait until February 15th to put in those Scouts' names.
3. The registration system and the Campership Application form are linked. When Camperships are awarded, they will automatically be applied to those Scouts listed in registrations.
Names must match exactly.

Merit Badge and Activity Sign Up will show up here on April 15 beginning at 8:00 a.m.
